

## Good Neighbors

Your donations help keep Louisville clean, green and beautiful!

Be a Good Neighbor of Brightside with an annual contribution of \$100 - \$249 to Brightside.

Support Brightside's beautification programs and anti-litter initiatives with your contribution. Neighborhood groups, churches and schools benefit from our FlowerShower program receiving free flowers to plant in public spaces.

Your gift of \$100 will sponsor one class's attendance at the Environmental Youth Summit. Brightside's Environmental Youth Summit has opportunities for sponsorships in the spring and in the fall. The youth summit gives local students grades 4-12 an opportunity to share ideas and discuss how to reduce litter and help the environment.

- Nearly 6,000 volunteers worked to clean up over 32 tons of trash from Louisville's streets, sidewalks, and green spaces during the 2008 Spring Community-Wide Cleanup.
- Almost 500 youth participate in our Environmental Youth Summits annually, providing them with an opportunity to discuss practical ways to make their school greener, and interact with community leaders and elected officials.
- Brightside's NatureScope grant program funded beautification projects for 24 neighborhood and non-profit groups all over the Metro area this past spring and fall.

For more opportunities call Jerika Amos, Development Director 502.574-4381 or contact us at [www.brightsinc.org](http://www.brightsinc.org).
